## October 2, 2021 – Negotiations

Greetings RESPA members,

Your Negotiations Team submitted a draft proposal for the 2021-2022 school year. The team received responses from the active membership to put forward the following:

- Article 6: Pays and Allowances
- Article 7: Health and Welfare Benefits.

As per our contract, the association is re-opening three articles.

- Article 14
- Article 17
- Article 28

It also includes Appendix A-1 (Salary Schedule) in which the association and the district will meet on October 8, 2021, to review a study budget.

The district formally accepted the association's proposal at the Board Meeting on September 28, 2021.

As meetings and events unfold, the association will provide updated information to the active membership. As always, if you have any questions, please reach out to your Negotiations Team.
