RESPA CHRONICLE

Meet the Executive Board

STEVI RIVERA

Meet **Stevi Rivera**, Clerical Director for RESPA and site rep at **Moore Middle School**! Stevi finds joy in the *small wins* that give her energy in her role, even when time feels too short to do it all.

Stevi message to site reps is simple: **it's okay not to know everything; we're all learning together.**

Those who know Stevi describe her as **fun, caring, full of life, and always ready to work hard**. She hopes to see continued growth and better collaboration with the district—and she's proud to stand with RESPA members every step of the way!

Be sure to say hello to her at Moore Middle School and thank her for all she does for RESPA! And yes, Stevi was last months RESPA baby!

Executive Board

2025 - 2026 GOALS

During our recent meeting, each E-board member shared two goals for the year. After thoughtful discussion, we agreed on two main goals to guide us moving forward:

1. **Bringing Us Together with Purpose** –

We aim to strengthen our communication, engage our members, build solidarity, provide unity and support, remain fiscally responsible, and expand outreach efforts.

2. **Leading by Example** – We are committed to following proper rules of order, being present and engaged, actively participating, and remaining approachable to all members.

Together, these goals will help us work with focus and integrity while fostering a stronger, more connected community.

Upcoming

- E-Board Meeting: September 8
- Para Listening Meeting: September 11

Where is Ollie?

I'm older than trains
that once passed this
town,

Yet kids still
play and gather around.

My name means history, my walls
hold cheer,

Find Ollie where learning's lasted
100+ years!"

Para Listening Meeting

RESPA is hosting a **Para Listening Meeting**—an open forum designed to hear directly from our paraprofessionals. This is your opportunity to share your experiences, voice concerns, and discuss ideas for improving our work environment and support systems. Your input helps us better advocate for the needs of all paraprofessionals in our district.

Please see flyer at your site to RSVP.
